JEADV Review Articles

EADV Online CME Programme – 1st Quarter 2014

As we continue to offer our *EADV members* monthly online CME-CPD review articles from the JEADV, we are pleased to report that the service is becoming increasingly popular with more and more doctors taking part. The results and certificate are available to download immediately in a quick and simple exercise.

Please take a look at our interesting and varied programme scheduled for the next few months.

EADV Online CME Programme – 1st Quarter 2014

End January

Giant basal cell carcinoma of the skin: literature review and personal experience
JEADV, 2012 August; 26(8): 942-952

End February

Psoriasis and physical activity: a review
JEADV, 2012 November; 26(11): 1345-1353

End March

Bacterial skin and soft tissue infections: review of the epidemiology, microbiology, aetiopathogenesis and treatment
JEADV, 2012 August; 26(8): 931-941

Each review article contains 10 respective multi-choice Q&As and a set of correct answers at the end of the exercise. Simply log on to the following webpage using your EADV membership username and password: <http://www.eadv.org/nc/education/gain-cme-cpd-credits-online/>

CME certificates may be downloaded from “My Corner” on the EADV website.

Please do take the time to visit the EADV website and benefit from this valuable CME exercise!

Dr. Lawrence Scerri
CME-CPD Committee Chairman
